Welcome to Fly Norwich 2015

Norwich International is a great place to start your journey.

We try hard to provide a range of destinations that suit all and this summer we have four flights a week to Majorca, twice weekly flights to both Turkey and Tunisia and weekly flights to Bulgaria, Corfu, Ibiza, Malta and, new for 2015, Menorca. Tenerife is available year round and next winter flights will operate twice a week enabling short breaks and 10 and 11 night holidays. Further highlights include the high frequency KLM flights to Amsterdam, offering a flexible, business friendly schedule and improved European and long-haul connections worldwide. Closer to home, our UK network provides regular flights to Aberdeen, Edinburgh, Guernsey, Jersey and Manchester, plus onward worldwide connections through Manchester. We are proud to be able to offer the personal touch and start your trip with a smile.

If you have flown from Norwich before, we look forward to seeing you again. If you haven’t, do try us in 2015 and experience the benefits of flying from your local airport.

Andrew Bell, Chief Executive
UK, EUROPE & BEYOND

The world on your doorstep. There’s a fantastic selection of direct flights from Norwich and even more with onward connections a short hop away at Amsterdam or Manchester.

You’ll be surprised at the great choice of destinations you can fly to from Norwich: from some of Europe’s favourite holiday destinations to top UK cities for pleasure and business.

Flying from Norwich is so much more convenient. With parking within a few minutes’ walk from the terminal, there’s no need to wait for shuttle buses. With just a minimum one hour check-in at Norwich and a short flight to Amsterdam or Manchester, you’ll be boarding a connecting flight in less time than it would take to drive to a London airport. And if you add car parking and perhaps a hotel too, plus a three-hour check in, it’s easy to see why it’s easier, quicker and more convenient to travel for business or for pleasure from your local airport.

Book at bmiregional.com
