## Hello

Welcome to the latest edition of **Fly Norwich Airport Magazine**, our handy guide to how you can discover the world with us.

The convenience of travelling from your local airport doesn't limit the adventures which await. Our fantastic selection of direct flights, and even more onward connections via Amsterdam and Manchester, puts the world on your doorstep.

We've packed this edition with details of sun-drenched paradises, travel gems and winter fun available throughout 2017. New highlights include direct flights to the beautiful island of Rhodes. This adds another stunning sunshine holiday to our existing line-up, which already includes the fellow island of Corfu, Cyprus, the Balearics and year-round flights to Alicante, Malaga and Tenerife. Other new additions for 2017 include special departure flights to the iconic cities of Croatia's historic Dubrovnik and Italy's magnificent Venice and captivating Naples.

Having made a welcome return at the end of 2016, the Saturday ski flight to Chambéry and the French Alps continues to run until 25 March. For magical snowy adventures of a different kind, festive flights to Lapland will once again be running in December, with both day trips and short breaks available.

And, don't forget, Norwich Airport is also your fast and easy gateway to some of the UK's top cities, whether you're taking off on business or pleasure. Whatever destination you choose, we look forward to welcoming you for your next trip very soon.
