

Norwich Airport has prepared a draft Masterplan that sets out the possible growth scenarios and associated development plans over the next 30 years.

The Masterplan has been assembled in response to a series of technical studies, including passenger and economic forecasting that has informed how the airport may grow.

The following proposals have been identified in response to the preliminary findings:

- Safeguarding of taxiway and reinstatement;
- Future apron extension and additional apron capacity;
- Safeguarding land for future Long Stay car parking;
- Preferred parking growth option;
- New taxiway link;
- Land for future terminal expansion;
- Land for new Air Traffic Control Tower;
- Land for Maintenance, Repair and Overhaul (MRO) Remote Parking apron;
- Land for a new hangar for MRO;
- Option for the relocation of the Fire Training ground;
- Access to the site from the new Norwich Northern Distributor Road;
- Future 500m runway extension;
- Sustainable transport measures.

How to lodge your response to the Masterplan Consultation

You can participate in this consultation by completing the Consultation Response Form overleaf and attaching your comments and either emailing it to:

namasterplan@bartonwillmore.co.uk

or

posting it to:

Norwich Airport Masterplan
c/o **Barton Willmore LLP**
St Andrews House
St Andrews Road
Cambridge

Name

Address *(including postcode)*

How many times a year do you fly from Norwich Airport?

For what purpose do you normally fly *(eg. business, holiday, etc...)?*

How do you usually travel to and from the airport *(eg. bus, taxi, car and drop-off by car)?*

Would you like Norwich Airport to serve more destinations?
If so where to?

Do you support the expansion of Maintenance, Repair and Overhaul services at the Airport including the proposed International Aviation Academy?

Do you think Norwich Airport should improve its accessibility and if so, how?

Please provide any particular comments you have on the Draft Airport Masterplan.
(Please attach further sheet if necessary).
