We may make a search with a credit reference agency and we will keep a record of that search. In the case of a limited company, we may also make enquiries about the principle directors with a credit reference agency.

Please note our standard terms are 14 days. Companies registered outside of the UK, will be asked to provide a bank guarantee or a deposit to the value of the credit limit required. If your account is dormant for a 12 month period it will be automatically closed and a new application will be required.

All airlines are required to declare their VAT status in accordance with the VAT Act 1994, Schedule 8, Group 8. Airlines failing to declare their VAT status will be charged VAT on all supplies at the prevailing standard rate.
